JATIN BHALL
React & Next.js Developer

jatinbhall36111@gmail.com • +917015570141 • [LinkedIn](#)

Summary

Frontend Developer with hands-on experience at Sookshum Labs, Mohali since September 2023, specializing in building and maintaining scalable web applications using JavaScript,TypeScript, React, Next.js, HTML5, CSS3 (Tailwind), Firebase, and MySQL. Skilled in frontend development, API integration, and responsive UI design, with a strong foundation in data structures, algorithms, and software development principles. Proficient in utilizing Git for version control and delivering high-quality, performance-optimized code. Passionate about problem-solving, continuous learning, and contributing to innovative, growth-driven teams.

Experience

Sookshum Labs, Mohali   **September/2023 – September/2025 (2+Years)**

A technology company focused on developing software solutions.

- **Designed and developed full-stack applications using** Next.js (App Router, TypeScript), React, Redux/Context, Tailwind CSS, and Supabase (PostgreSQL) **to deliver scalable, user-focused solutions.**
- **Collaborated with backend developers to integrate and test** REST APIs **using** Postman**, ensuring reliable and seamless communication between frontend and backend systems.**
- **Worked closely with UI/UX designers to implement** responsive, pixel-perfect designs **optimized for multiple devices and browsers.**
- **Participated in** code reviews and pair programming **to maintain clean, reusable, and scalable codebases.**
- **Applied** performance optimization techniques **to enhance application speed and overall user experience.**
- **Built** responsive landing pages **using React, Next.js, and occasionally jQuery when required.**
- **Gained hands-on experience with** third-party payment gateway integration (LemonSqueezy)**.**
- **Contributed to** troubleshooting and debugging**, ensuring timely issue resolution and adherence to project deadlines.**
- **Actively engaged in collaborative development processes, following best practices for** version control with Git**.**

Technical Skills

Web Technologies: Next.js, React.js (Redux/Context), JavaScript, TypeScript, HTML5, CSS3(Tailwind CSS), jQuery
Databases & Cloud: MySQL, Supabase, Firebase
Version Control & CI/CD: Git
Core Programming: Data Structures and Algorithms
Development Tools: Visual Studio Code, Postman
Operating Systems: Windows, Linux

Education

MCA (Masters in Computer Application)
Maharaja Agrasen Institute of management and Technology, Jagadhri(Haryana) with 71% (2021-2023)

BCA (Bachelor in Computer Application)
Maharishi Markandeshwar University, Mullana (Haryana) with 78% (2018-2021)

Soft Skills

Effective Communication , Active Listening, Collaborative Teamwork, Strong Sense of Responsibility, Time Management and Prioritization

Personal Details

DOB: 1 Feb 2000   **Languages**: Hindi, English
Address : YamunaNagar, Haryana   **Interest**: Playing Chess, Watching Anime
